RECOMMENDATIONS SHOULD BE SENT BY MARCH 14, 2003.

Please use a separate page to comment on the applicant's ability to benefit from participation in the Plant Biology Summer Research Experience for Undergraduates at the University of Massachusetts Amherst. We seek students who plan to complete a Bachelor's Degree, are interested in pursuing a career in the biological sciences and would like to learn about conducting scientific research. We hope to identify outgoing individuals who will participate in group activities and who wish to immerse themselves in a research environment.

I would rank this student in the top ____% of approximately ____ students I have taught in ___ years.
